

WHAT THE AUDIT COVERS

01 **Flows**

Welcome, abandonment, post-purchase, win-back. What is missing, what leaks.

02 **Segmentation**

The right message to the right slice of your list, protecting deliverability.

03 **Deliverability**

List health, open and click trends, spam risk signals.

04 **Attribution**

How much revenue email really drives, and the realistic ceiling.

Delivered as a prioritised action plan. Your account, your numbers.
